The Family Resource Network assists with service coordination needs, resource assessment, planning, community mobilization, and evaluation of programs. The FRN's goals include helping the community:

- Achieve and maintain good physical and mental health
- Be ready to succeed in school
- Possess marketable skills and have access to good jobs,
- Have adequate resources to protect, nurture, educate, and support their children.
- Live in permanent and stable homes
- Be safe in their homes and communities

Projects of the FRN:

- Baby Bag Project- every family that has a baby, has the opportunity to receive a bag full of products and resources for families with new children. We do this program in collaboration with Parents as Teachers.
- Carry On Project - Bags for youth placed out of the home. We supply WVDHHR, in collaboration with Marshall Co. FRN and Wetzel County Center for Children and Families, bags with PJ's, hygiene necessities and a book and/or stuffed animal.
- Collaborates with the schools on substance abuse prevention programs.

- Attends a “Necessities Closet” the third Saturday of each month, located at the First United Methodist Church in Sistersville.
- Mobile Essentials Unit that houses socks, shoes and hygiene products for anyone in need.
- Essentials Closet located at TCMS/TCHS that has shoes, clothing, hygiene and school supplies for any students in need.
- Collaborates with Tyler County Schools on the “Back to School Fair”

The FRN is responsible for a Resource Guide for Tyler County.
